

A stylized graphic on a dark blue, textured background. It features a thick, white, 3D-style beam that curves from the bottom left towards the top center. This beam is enclosed within a thin, black, irregular outline that resembles a lighthouse beam or a stylized letter 'A'.

KURT STRUCKMEYER

Early in December, 1763, Pierre Laclede Liguist, along with his assistant, 14 year old Rene Auguste Chouteau, stepped ashore on the west bank of the Mississippi, twenty miles below the mouth of the Missouri river. Here was the place he had chosen to establish a fur-trading post and village. After marking the spot, Laclede and Chouteau returned to Fort Chartres, where they remained until the following spring.

On February 15, 1764, Auguste Chouteau led a work party of 30 settlers to the selected site in order to "form a settlement which might become one of the finest cities in America." The trading post and village flourished and grew, and soon had a name: St. Louis. During its early history, the town was transferred from Spain to France and finally, in 1804, became a part of the United States.

The Man Behind the Beacon

MR. CHARLES P. MARCHESSEAULT

We, the Beacon Staff of 1964, in order to show our appreciation of his fourteen years of devoted service to the Cleveland High School yearbooks, dedicate this Beacon to Mr. Charles F. Marchesseault.

FOREWORD

In this year, 1964, the city of St. Louis celebrates the 200th anniversary of its founding. This great city has experienced two full centuries of growth, following its founding by Chouteau and Laclede. The people of St. Louis have observed many changes as time has passed. In honor of these two hundred years of progress, we have chosen as the theme of the *Beacon* the "St. Louis Bicentennial."

Cleveland High School offers a number of excellent courses in both composition and literature. Since language, oral and written, is the principal vehicle of communication, the ability to comprehend others and to make our own thoughts clear is a minimum essential of education. Therefore, four years of English is required for graduation.

Studies

Courses in World History, American History, and Government broaden the student's understanding of today's world problems. By extending the student's knowledge of himself and his physical and social world, he is being equipped to think, feel, and act wisely in achieving the democratic life in a democratic society.

Science

Cleveland has a science program which includes General Science, Biology, Physics, and Chemistry. Since science, directly or indirectly affects the life of everyone, it is imperative that all students acquire some knowledge in this field. At least one year of science is required for graduation. Through experiments, demonstrations, field trips, and audio-visual aids the work of the science courses is made interesting and practical.

The St. Louis World's Fair, held in 1905, is among the city's more fascinating additions to urban history. Though most of its structures were never intended to stand with any permanence, their memories are not transient; nor the "startling innovations" of the day, which were first viewed there.

Varsity-Alumni Game

In the annual Varsity-Alumni game, the Dutchmen were handed a 67-41 jolting from the returning Alumni, November 27.

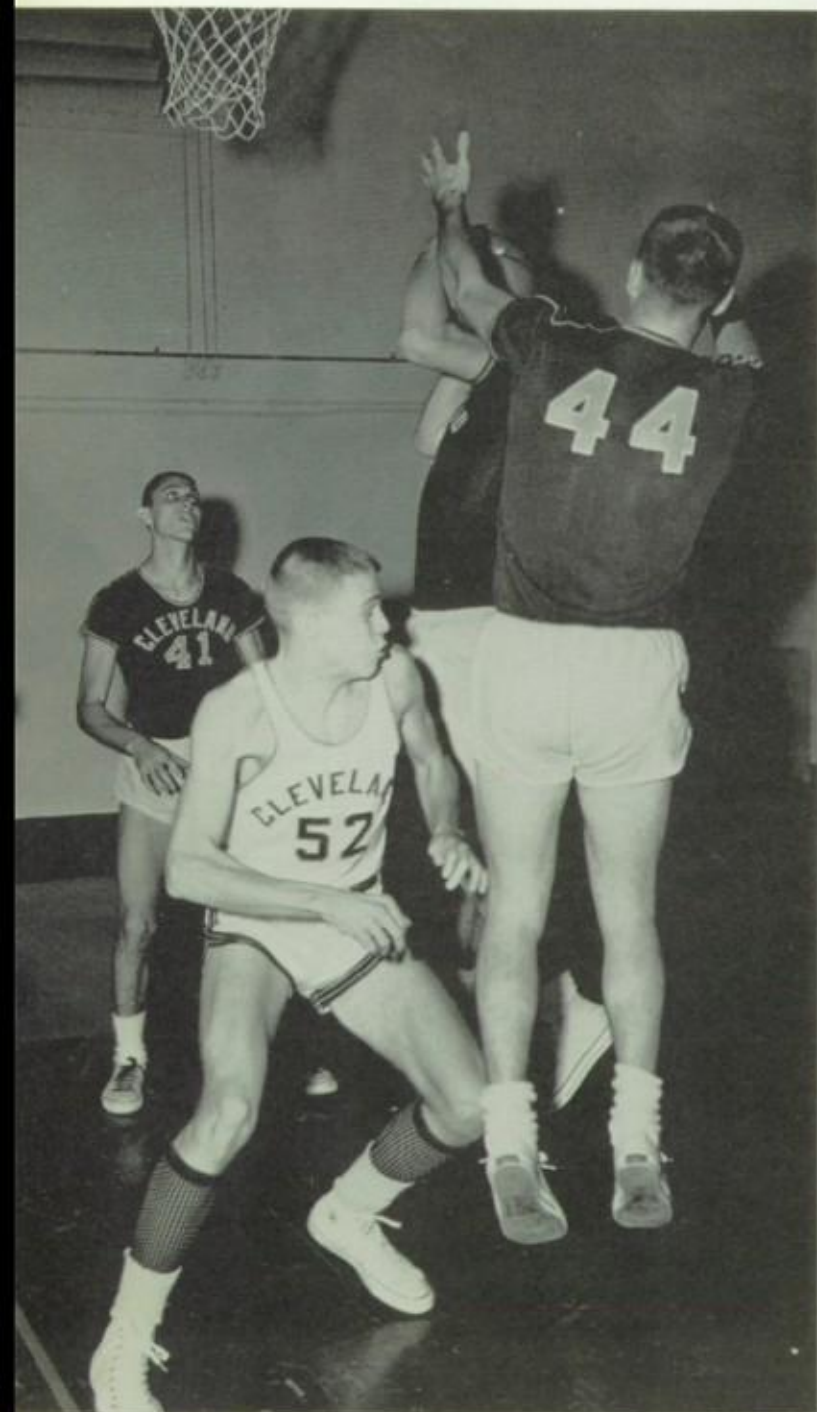

Coach Earl Jansen's pride and joy from past seasons formed an excellent team and combined superior shooting and rebounding with outstanding ball handling and team play.

The Dutchmen, under their new coach, Francis Darling, played very creditably. They trailed by only two points at the end of the first quarter, 15-13. After that, however, it was all Alumni.

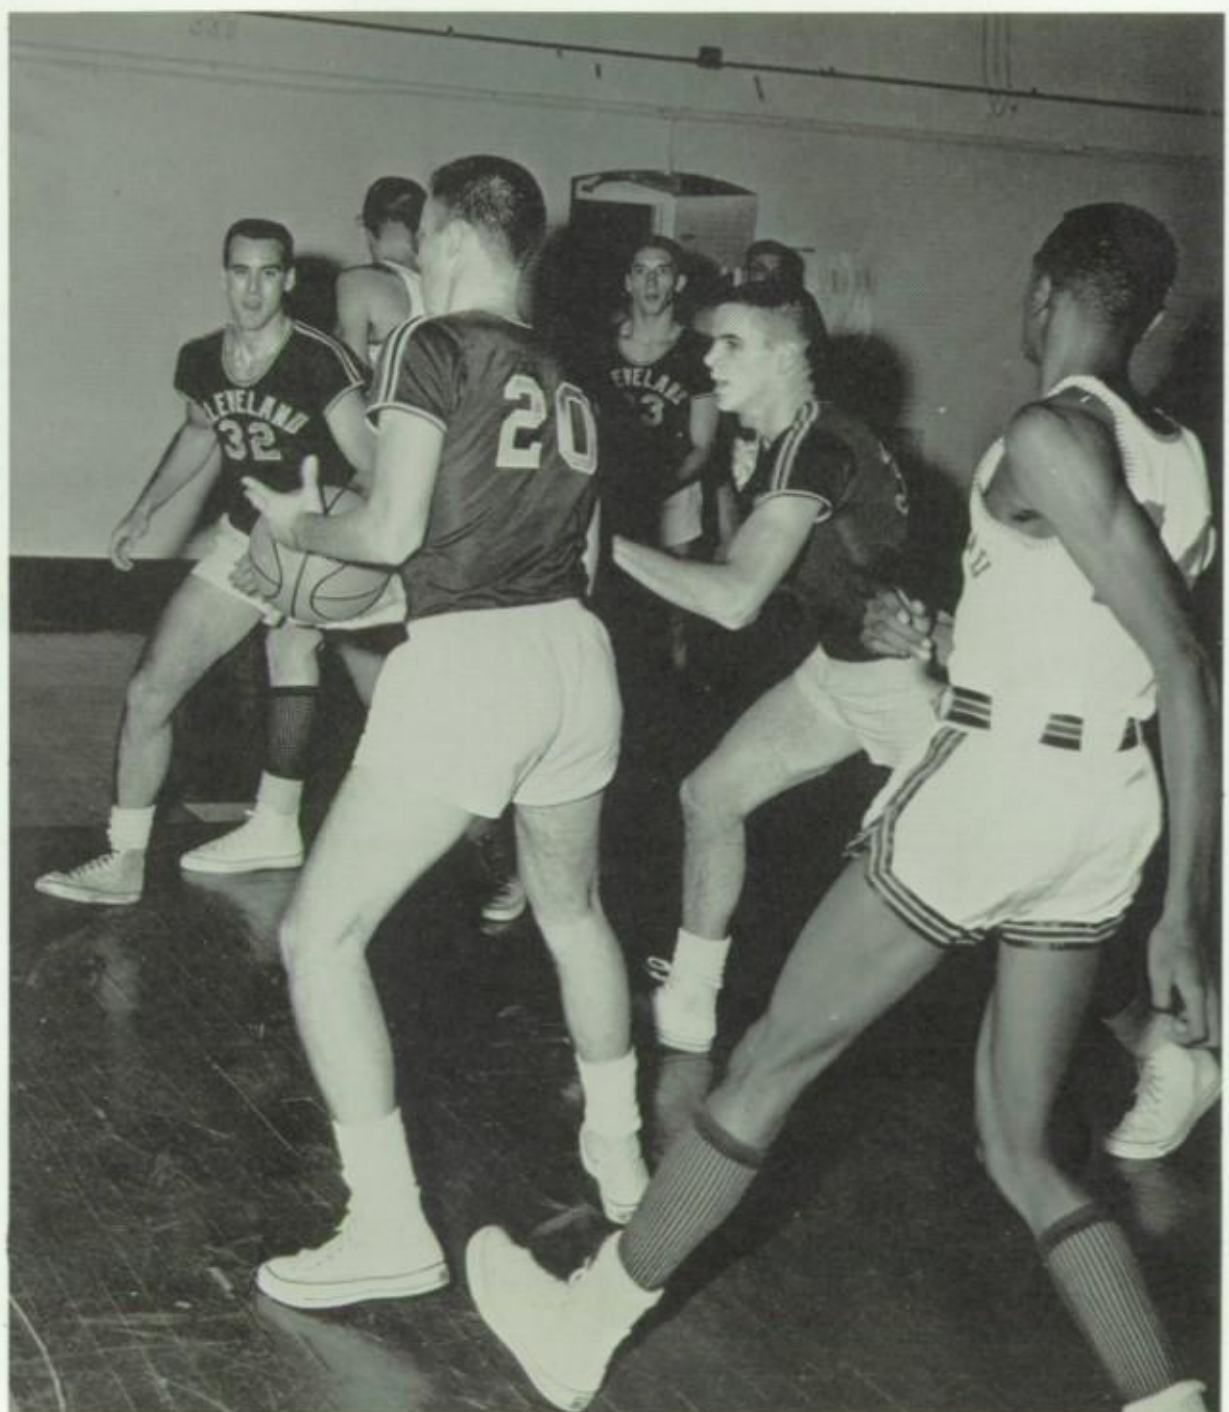

Bill Matan, for the Alumni, led all scores with 23 points. Rich Sonntag and Gary Sparks led the Varsity with 14 and 12 points respectively.

ATHLETICS

Chris Van Der Ahe's Browns, of the 1890's and early 1900's, were the first professional baseball team established in the "river town" and the originators of a long history of sports and baseball. The Browns provided an inspiration for many a sandlot player and big league slugger.

Able coached by Mr. Earl De La Roche, the "B" team this year had a very successful season. The team had an overall record of 6 wins and 3 losses, including wins over such teams as Vashon, Southwest, McKinley, and Roosevelt. After losing several of the better, more-experienced boys at mid season, the squad was narrowly defeated by Sumner and Beaumont in close, hard-fought games. Most of the players were very young and will return next year with the experience and skill gained this season.

"B" team baseball, again this year, showed the enthusiasm and fight that always characterizes Dutch spirit. The squad leaves behind the impressive 7-3 league record and 8-5 over-all ledger. Good pitching, well-timed hitting and slugging, plus the experienced coaching of Mr. Randall Gover carried the "B" Diamondmen to third place in the league race.

Paced over by the top hurler Roger Dickmann and fielders Gary Sparks, Russ Curran and Steve Bruhin, the "B" teamers mowed down the opposition's offense with evident varsity ability.

Able coached by Mr. Jack Green, the Water Polo Team splashed to a strong finish in the state tournament at Clayton. Sid Scherbel led the team in scoring, while

Doug Hartman and Rich Herman tied for the runner-up's position. These three boys also served as captains along with Jack Bard.

Led by Coach Earl DeLaRoche the swim team splashed to their third consecutive Public High League Championship. Because of an unexpected loss to O'Fallon, the Dutch had to be satisfied with a tie for the title.

In the Missouri State Swim Meet, CHS was well represented as five top men, Mick Varner, Jack Bard, Bob Faith, Rich Herman, and Sid Scherbel, qualified for the finals and brought home state medals.

The Dutch tied with O'Fallon for the PHL Relay Carnival Championship in which Cleveland won four of the nine events, setting one new city record.

Mike Varner goes through a forward flip.

The boys in the 1964 Gym Team are learning many gymnastic skills. Under the direction of Mr. Harvey Doerr, they are conditioning themselves and preparing themselves for next year, when they hope to enter league competition.

Team members practice on such apparatus as the parallel bars, horizontal bar, horse and rings. They learn tumbling skills by working on the mats and the trampoline. Many of the participants are becoming skilled gymnasts.

TRACK

Under the direction of Mr. Pete Mercurio, the 1963 team completed the season with a 7-4 dual meet record. Led by Elmont Honea, over-all captain, the cindermen broke three established school records. Assisting Elmont with the team were senior captain, Bill Reehten, and junior captains, Phil Huddleston and Gerry Dorsey.

Outstanding track man of the year was junior pole vaulter, Jim Ogan. Jim's accomplishments included breaking: the South Side Meet record, District Meet Record, and the St. Louis PHL record at Field Day.

At the end of the season, Coach Pete Mercurio retired, ending a long and successful coaching career, with a lifetime record of 54 wins and 18 losses. Every present school record was established under Coach "Pete's" guidance. Cleveland owes Coach Mercurio a lot for his fine work.

CROSS-COUNTRY

"With a strong nucleus of boys returning from this fine team, I'm eagerly looking forward to next year," commented Coach Don Kinderfather about the 1963 team.

Led by co-captains John Wyatt and Jim Walsh, the Harriers faced tough competition in a league which included two of the top five teams in the state.

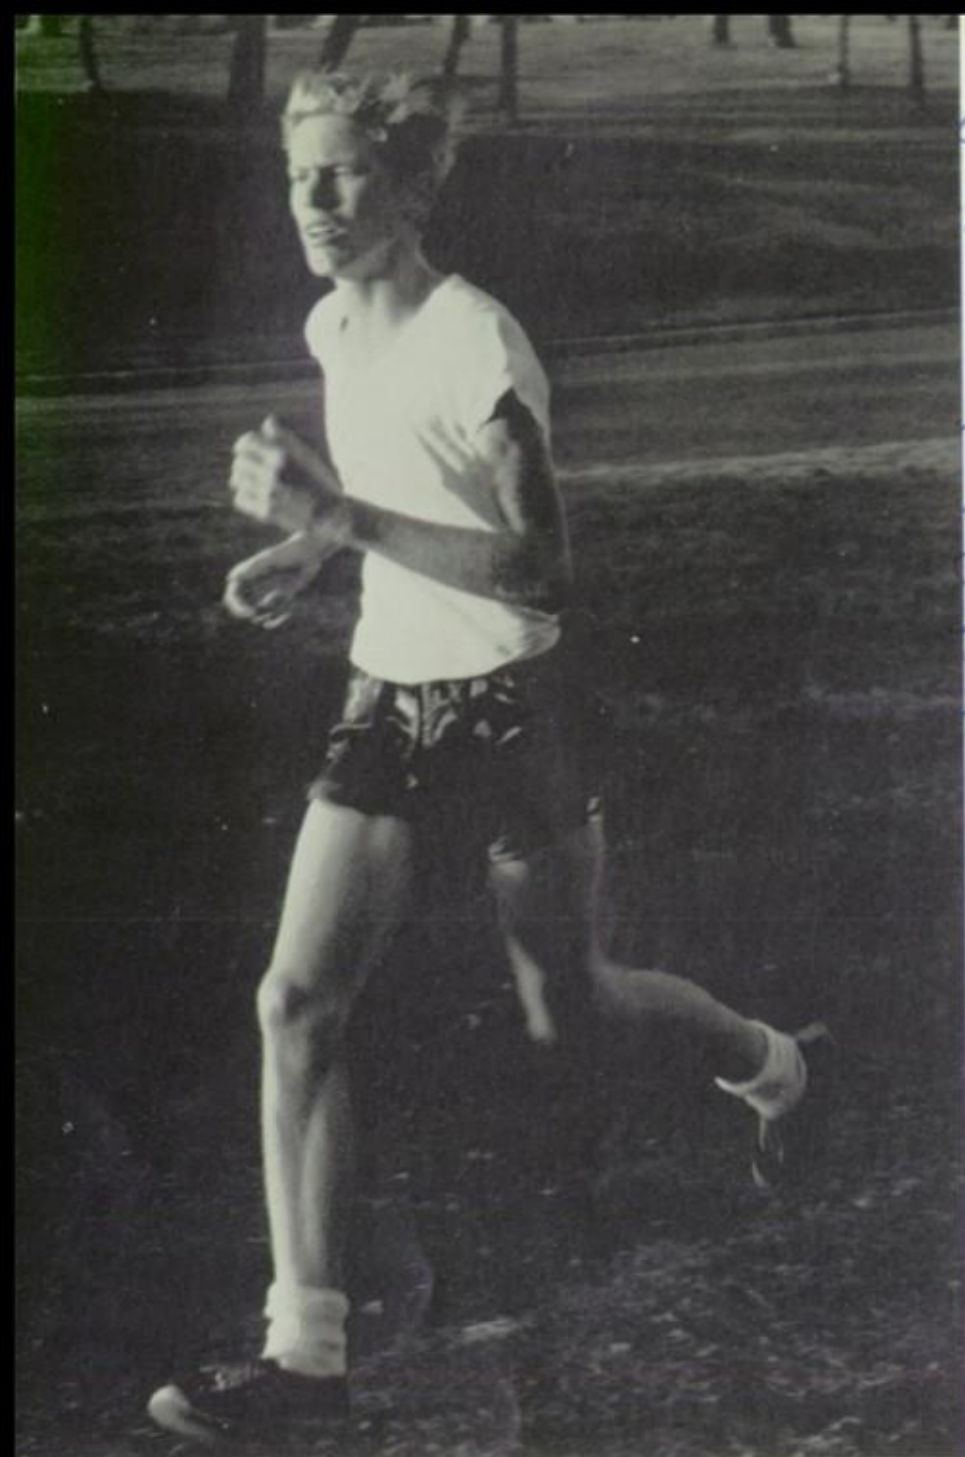

With no lettermen returning and the squad composed mostly of sophomores, the team enjoyed a comparatively successful season with a 2-8 overall record. The Harriers defeated Central and our arch-rival, Roosevelt.

Voted the most outstanding runner by the team, Len Flowers received the only medal taken this year in the South Side Invitational Meet.

If the office of Postmaster General of the United States is filled by a member of this soccer group in years to come, don't be surprised. The heat, cold, and inches of water that this team has had to endure this year would qualify any member to meet the slogan of the United States mail service.

The extreme tenseness of the games can be best illustrated by the comparative averages: Cleveland scored .7 goals, while the combined total of all opponents was 1.1.

The kickers charted a 5-7-5 record in a circuit that included St. John's, C.B.C., St. Louis High, O'Fallon, Roosevelt, St. Mary's, Principia, Augustinian, Ladue, and Prep Seminary.

Girls' Recreation Association, under the direction of tri-coaches Mrs. Shirley Theodore, Mrs. T. Lee, and Mrs. Arlene Cramer, offers an infinite variety of interests to girls of all terms, shapes and sizes. Its platform constitutes the encouragement of interest and skill in physical education, the building of good sportsmanship, the promotion of leadership and participation for a large number of girls.

Programs in the fields of tennis, basketball, gymnastics, field hockey, volleyball, softball, track, swimming, archery are devised in such a way that all members have an active part. Varsity teams are formed for intramural competition.

Girls of all terms are eligible to join, with freshmen and sophomores comprising Junior GRA and juniors and seniors, the Senior division.

His Mysterious Majesty
the
VEILED PROPHET

The Veiled Prophet Parade

Every October the mysterious veiled prophet makes his appearance along the streets in the downtown section of St. Louis in a well-organized parade given in his honor. The parade contains many beautifully decorated floats, each depicting a different idea or thought in accordance with the theme of that year. The last two floats contain the mysterious majesty, the veiled prophet, and his crowned court of love and beauty.

Key Club—Orphan Night

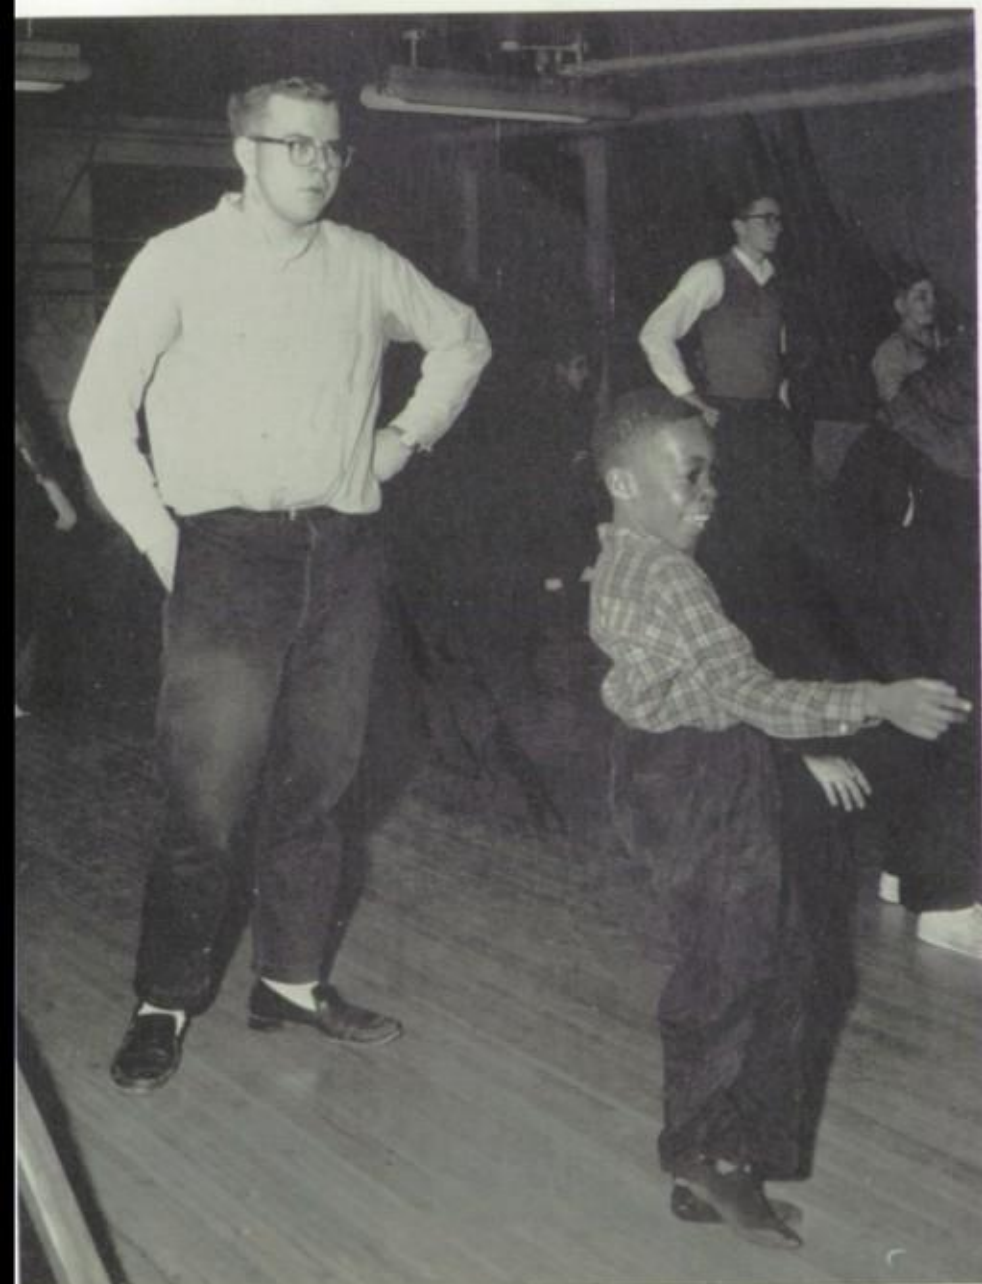

The Key Club is a boys' service organization, terms three through eight, sponsored by the South Side Kiwanis. Members are selected on the basis of recommendation by the advisors and approval by the administration. The Key Club belongs to an international movement which boasts of over 2,500 clubs with a total membership of over 66,200 in the United States and Canada.

During the past year the Key Club has successfully accomplished the following projects: helping the administration with College Day, serving as hall monitors and gym guards in the school building, treating of 42 boys from the St. Joseph Orphanage to a night at the YMCA, Christmas caroling, securing a plaque for one of the trophy cases, selling yearbook and textbook covers, showing two feature films for the student body, supplying Christmas and Thanksgiving baskets of food for unfortunate families, and cleaning the trophy cases.

Socially, there were two hayrides, two parties and a banquet for members, parents, and the installation of new officers. In April, fourteen members attended the Missouri-Arkansas District Convention at the Chase Park Plaza Hotel.

This year's Cheerleading Squad represented Cleveland with great enthusiasm and many yells. Attending the games regularly, the peppy girls, under the able direction of Miss Sandra Francis, inspired school spirit in players as well as spectators. After attending cheerleading camp last summer held at Oklahoma University, Norman, Oklahoma, the girls brought back many new cheers and ideas.

Boys' Bowling League rolls on Tuesday nights at St. Anthony's, under the direction of Mr. P. Mecurio. With a 36 week schedule, it was necessary to divide the season into two parts: the first half ended January 21. Play-offs will be held the first week in June between the top teams in each half. Trophies will then be given for the top three teams for the entire season, as well as for high average, high single, and high three game series.

Distributive Education was originated for the purpose of furthering the development and understanding of the various phases of distribution and to encourage an interest in the field as a possible career choice. Its members consist of students of the distributive Education classes plus any interested graduates. The D.E. program is sponsored by Mr. Thomas Halstead. The club is affiliated with both the State and National D.E.C.A. Associations.

Each year, Distributive Education officers participate in the Missouri State Distributive Convention. This year's Club made great headway in that members had a great deal to do with the bringing of five State Offices to the St. Louis area, the office of Secretary to our own school. They also brought the first Cleveland D.E.C.A. Banner and Gavel.

Library Club

Junior librarians take time out for refreshments

A newly formed organization, the Library Club, launched its first year with all the hope and enthusiasm that insures success. Encouraged by their sponsors, Mrs. Leigh McGee and Mrs. Dorothy Ford, anxious members propose to arouse the interest of fellow students in their school library and to make known the importance of library work in their lives. Their first project was to retrieve all lost, misplaced, and "forgotten" books and it may be noted that their efforts proved quite successful.

F.T.A. is devoted to helping students planning to become Future Teachers of America. Under the sponsorship of Mr. R. Waggoner, members of F.T.A. gain tremendously from this pre-college training. This year the F.T.A. had the especially

nice experience of having Barbara Trost elected to the State Secretary's office. Some of the activities they have enjoyed are guest speakers, a field trip to Mizzou in October and several holiday parties.

To become a member of the Lettermen's Club, an athlete must have earned a letter in any one of the varsity sports. With the assistance of Mr. Ray Cliffe, the members of the Lettermen's Club handle the sale of cokes at the home basketball games, assist the school in the sale of tickets, boosters, and other items, and hold an annual Lettermen's Dance. The Lettermen bring about better relationships between the students and the school and also advance the ideals and the standards of sportsmanship among the student body as a whole by their own example.

The Cleveland Rifle Club, open to both boys and girls, practices indoors under the supervision of Mr. Bill Almond. The club teaches safe firearms handling as well as offering the opportunity to work toward the pro-marksman medal right on up to the highest National Rifle Association Award, Distinguished Expert.

Six of the best rifle men make up the Rifle Team for competition with other schools. Led by captain Rich Franke, the team was second in the Public High League.

This year for the first time, the Girls' Rifle Team shot in its own league. Led by Anita Pierson, the girls tied for first place.

Cleveland's Spanish Club meets on even Wednesdays. Spanish games, listening to Spanish records, watching films, and using the tape recorder are all part of the activities enjoyed by the members.

The outstanding social events of the year are the Christmas Party and Spring Picnic with the F.T.A. and Webster-Hayne.

Club members improve pronunciation through the use of tape recorders.

Debate Team

Now finishing its forty-ninth successful year is one of Cleveland's oldest organizations, the Webster-Hayne Debating and Public Speaking Society. Throughout the year, each member of the Society had numerous opportunities to participate in a wide variety of activities, such as debates, discussions, and talks on serious and humorous topics. Under the supervision of sponsors Mr. John Rowland and Miss Henrietta Johnson, some members also took an active part in formal debates and speech contests with other schools.

Under the fine sponsorship of Mr. David Woodworth, the Cleveland Amateur Radio Club will begin its eighth year.

The Radio Club is licensed by the Federal Communication Commission and is a member of both the Radio Relay League and the QRP Amateur Radio Club.

The members are extremely proud of past accomplishments: an award for working all 50 states in this country (WAS), and work in over 20 foreign countries including England and New Zealand.

Under the leadership of Mr. William Linter and Mrs. Arensman, the Science Club completed its first year. Its science-minded students participated in several field trips to the St. Louis Planetarium and the Clayton Science Museum. Members of the club divided into groups to pursue their interests in science. The main groups were an astronomy group and a cave exploring group. The astronomy group held several observers' nights when they viewed the stars, planets, and moon through a telescope. The cave exploring group explored several caves in the St. Louis area.

Half-time show

Cleveland students can feel justly proud of their 130 member Concert Band. Selected as a pilot band in a new city program, the band, under Larry Mantese's direction has received thousands of dollars for new equipment. During a busy year of activities, the band has taken part in football games, parades, the Festival of Bands, and was featured in the Band Field program.

Orchestra is a very important part of Cleveland's musical program. This fine organization provides the music for such activities as graduation and coronations. Part of the success of "Good News," presented in November, 1963, must be attributed to the orchestra members who played the difficult score. Orchestra provides a challenge to musicians who appreciate symphonic music. It may be taken as a club or for one-half credit.

Orchestra accompanies choir in "Good News."

For those students who are interested in playing dance music, the Hi-Fi's provide a chance to learn both the technique and style of good popular music. Under the direction of Larry Mantese, the Hi-Fi's participate in a tour of the elementary schools to acquaint elementary school pupils with the music opportunities at Cleveland High School, the Festival of Bands, graduation, and various other concerts throughout the school year. These projects provide the members of this group with valuable and purposeful experience.

Among the oldest and most active organizations at CHS are the choirs, under the direction of Miss C. L. Mann.

The A Cappella Choir, with a total enrollment of 200 students, has an impressive history of over twenty years. Carrying the burden of the bulk of performances in the school, it presents each year the Christmas, Eastern, Memorial Day, and Thanksgiving programs, in addition to other performances in Cleveland and around the St. Louis area.

Ensemble was begun recently to relieve some of the A Cappella Choir's load. Through co-ordinated gestures, the Ensemble interprets the meaning of the music they sing. They perform throughout greater St. Louis.

The Boys' and Girls' Choirs and the Junior Choirs are classes that emphasize music appreciation as well as singing. They also participate in some performances at Cleveland.

All students who participate in choir obtain valuable preparation for future life. The discipline required by public performance and the character growth developed through the training is a stepping stone to future success.

Miss Mann lectures as students look on.

"Good News" Brings Music,

To the music of such songs as "The Best Things In Life Are Free," "The Varsity Drag," "He's A Ladies' Man," and "Flaming Youth" the enthusiasm of college days during the football season was brought to life on the Cleveland High stage. The musical comedy "Good News" was presented November 21 and 22, 1963, through the cooperation of the choir, band, art, and audio-visual organizations. The production was a rousing success and a good proof of the "hatful of talent" at C.H.S.

Bob Meyer, as Tom Marlow, rejoices about college life with "Happy Days."

Bobby Randall (Vic Froehlic) dreams of being a 'ladies' man' as Babe O'Day (Dorothy Schroeder) looks on.

Admiration for football star Tom Marlow is expressed by Connie Lane (Sandra Foley) as she sings "Just Imagine."

Memories, and Success to CHS

"Coach" Ted Brncic delivers an inspiring oration to spur his team on to victory.

The Cleveland Parents' Association promotes the welfare of faculty, students, and parents. They stress activities focusing on academic achievements. Challenging programs on local, national, and international problems were presented to the parents throughout the year. Funds for the various projects were raised by a membership drive and an annual card party. A social hour after each meeting provided an excellent opportunity for members to become acquainted.

Fathers of past and present students devoting their time and efforts toward bettering CHS for all students compose the fine organization called "The Dads' Club."

Among their many activities, the "Dads" find time to provide guards and ushers for programs, make it a point to furnish equipment for sports, and provide transportation for athletic teams.

With "Dads" working together, the chances are indeed greater for outstanding student leaders in the future of Cleveland High.
